Forecast for Friday 02 Jul 2021

Weather: Most ranges will have a dry and sunny day, some high cloud spilling across from the east later. Very small chance of an isolated shower across the south of the region from mid-afternoon, these perhaps becoming more widespread in the evening.

Chance of cloud free mountain/hill tops above 800m: 90%

Visibility: Generally good with summits expected to be clear. Some thin low cloud below 200 metres possible across the far east first thing in the morning.
